Toltek

SC-1200~SC-1211

Our Toltek fixtures are unique geometric designs based upon a central large cone that is held stationary by a thick rolled ring. Toltek lights are completely indirect fixtures producing all their lumens from rays that can emanate from the wide top of the cone. These lights are a step beyond a simple scoop uplight. They feature styling and a bit of imagination beyond the ordinary requirements for uplight. We show dark bronze and satin aluminum finishes, but they could just as well be polished brass cones with black trim ring supports. Totally flexible and always special.

~Toltek Series~

Chandelier: CH-1200~CH-1211
Pendant: PD-1200~PD-1221
Ceiling Mt: CL-1200~CL-1208
Wall Mt: SC-1200~SC-1211
Bollard: BL-1200~BL-1211

Mounting: Lightsmith fixtures mount to standard 4" octagon electrical boxes unless otherwise specified. All hardware and canopies supplied.

Listing and Warranty: Lightsmith fixtures are Underwriters Laboratories listed and carry a standard three year warranty against defects in materials and labor beginning at date of shipment.

MADE IN USA   UL
