Marathon

PD-14200~PD-14221

Our Marathon fixtures are quite the conversation topic. We make them for courthouses and some schools and federal buildings. The body of the fixture (the bowl) is solid brass or aluminum. We spin the metal here in the shop on hard white maple molds. The stars are one piece metal stampings. The banding is a continuous piece of rolled filigree. And the fabric is wrapped around non-ferrous rods and tubing for effect. These are exquisite fixtures and can offer the kind of visual response and praise you seldom hear about lighting. We offer them in all brass and aluminum finishes complete with modular LED lamping as well.

~Marathon Series~

Chandelier: CH-14201~CH-14215
Pendant: PD-14200~PD-14221
Ceiling Mt: CL-14200~CL-14208
Wall Mt: SC-14200~SC-14211
Bollard: BL-14200~BL-14211

Mounting: Lightsmith fixtures mount to standard 4" octagon electrical boxes unless otherwise specified. All hardware and canopies supplied.

Listing and Warranty: Lightsmith fixtures are Underwriters Laboratories listed and carry a standard three year warranty against defects in materials and labor beginning at date of shipment.
