

Ripley

PD-15901~PD-15913

Our Ripley fixtures are about as straight forward a luminaire as we make here in the Lightsmith studios. They may look old on the outside, but they can be very new on the inside with our LED options. These pendants and sconces are available in solid brass or aluminum construction. Glass globe design is a standard round opal ball in various sizes. We offer Ripley in varying stem lengths for adaption to very high ceiling lines. Or it can be flush mounted to the top canopy. Finish types can range from polished brass to satin black. Add a finial or tassel to the bottom for a period look.

~Ripley Series~

- Chandelier: CH-15907~CH-15917
- Pendant: PD-15901~PD-15913
- Ceiling Mt: CL-15903~CL-15983
- Wall Mt: SC-15903~SC-15913
- Bollard:

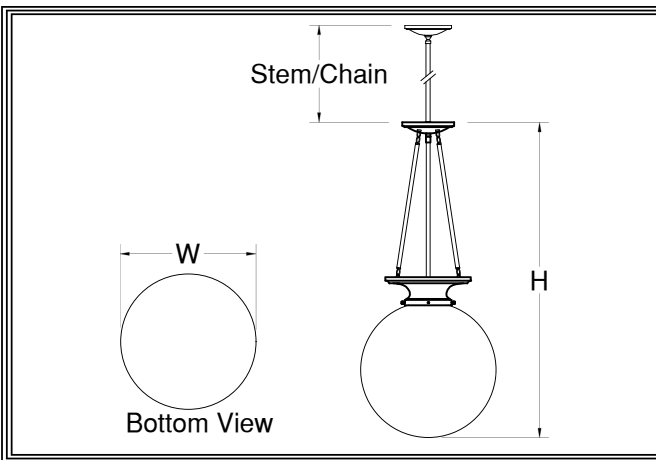

Mounting: Lightsmith fixtures mount to standard 4" octagon electrical boxes unless otherwise specified. All hardware and canopies supplied.

Listing and Warranty: Lightsmith fixtures are Underwriters Laboratories listed and carry a standard three year warranty against defects in materials and labor beginning at date of shipment.
