

RCJ-L

RCJ-138L~RCJ-564L

Our RCJ-L (LED) units are recessed gimbal rings made for flooding and spotting stage areas and auditoriums. The gimbal heads come in quantities from 1 to 5 doors. And the LEDs themselves come in four standard CoB single pucks from 25w to 85w as well as in optional multi-pucks of 11w to 23w SMD light engines. Gimbals swivel about 30° in all directions. RCJ's feature top access doors for lamp changes in ceilings with attic space; and can also be lamped from below as well. Use standard LED pucks for stages. They will accept reflector lenses. Use optional multi-pucks for seating areas. No reflectors.

~RCJ-L Series~

Corner: TRJ-138L~TRJ-564L

Recessed: RCJ-138L~RCJ-564L

Square: SQJ-138L~SQJ-564L

Mounting: Lightsmith fixtures mount to standard 4" octagon electrical boxes unless otherwise specified. All hardware and canopies supplied.

Listing and Warranty: Lightsmith fixtures are Underwriters Laboratories listed and carry a standard three year warranty against defects in materials and labor beginning at date of shipment.

PAINTED METAL FINISHES

- SWP: Satin White
- VGP: Verde Green
- CGP: Charcoal Gray
- MBP: Medium Bronze
- SBP: Satin Black
- DBP: Dark Bronze
- LBP: Light Bronze
- MGP: Medium Gold
- SCP: Sponged Copper
- CSP: Custom Paint*

*Standard RCJ-L units feature single pucks. Optional twist-on reflectors control the beam spread. These CoB arrays are state-of-the-art LED boards. Amazing lumens per watt ratios. Great for stage lighting.

*Optional L311/313/323/423 are multi-pucks. These SMD arrays are high quality LED chips. Great for general illumination of auditoriums. Normally not used for stage lighting unless a wide coverage beam is required.

- L311: 3-11wCLED Downlight
- L313: 3-13wCLED Downlight
- L323: 3-23wCLED Downlight
- L423: 4-23wCLED Downlight
- IEM: Integral Emer Ballast

LVR: Louver Option

- W: Wide reflector
- M: Medium reflector
- N: Narrow reflector
- S: Spot reflector
- F: Focus lens reflector

Note: L311-L431 are multi-disc par lamps like L423 in photo above.

*Reflectors are for LBA types only.
